

Utah Clean Cities Coalition

We PROMOTE AFVs!!

Alternative Fuel Vehicles Incentives in Utah As of January, 2006

State Income Tax Credit – Receive 50 percent of incremental cost up to \$3,000 for OEM (factory-built) and 50 percent of after-market conversion cost up to \$2,500 for vehicles purchased before December 31, 2010 and registered in Utah. The Utah Tax Commission manages tax credits. (801-297-7705 or 800-662-4335 ext. 7705. Tax form **TC-40V**)

Utah Clean Fuel Grant Program – On hold until 2006

Utah Clean Fuels Loan Program – On hold until 2006

Federal Grant Program – Depending on circumstances, there are some federal funds available as a grant to help offset differential costs of certain AFVs. Contact Beverly Miller, Salt Lake Clean Cities, (801) 535-7736 beverly.miller@slcgov.com

Alternative Fuel Tax Exemption– For an annual \$82 (\$47 exemption, \$35 surcharge,) an AFV owner is required to purchase the Clean Special Fuel Certificate, which exempts the owner from paying part of the state fuels tax. Contact Motor Vehicle Division (801-297-7780 or 800-DMV-UTAH.)

Lower Fuel Cost– In Utah compressed natural gas (CNG) currently costs \$1.40 per gasoline gallon equivalent (gge.) Propane typically costs more than CNG but generally less than gasoline.

VISA/MC for the Convenience of Refueling – Using a personal VISA or Master Card, AFV owners, both public and private, may refuel at 20 public and limited access CNG refueling sites throughout Utah and Wyoming. For sites, visit Questar's website.

Right to use HOV (high-occupancy vehicle) Lane – With proper vehicle identification, AFVs may drive in the HOV lane on Interstate 15. Motor Vehicle Division (801-297-7780 or 800-DMV-UTAH)

Airport Clean Fuel Credit – Entitles private ground transportation providers with a \$2,500 restricted lane access fee credit for using AFVs. Contact Lorin Rollins (801-575-2396.)

Pending, Federal Incentives – For more information, www.utahcleancities.org

Drive Low-Speed (electric) Vehicles (LSVs) – LSVs are legal on neighborhood streets. Contact Salt Lake Clean Cities for information (801-535-7736.)
